## EXPERIENCE

### Senior Designer — Center for Biological Diversity, Chicago, IL

(2023 - Present)

Design and produce graphics for print, social media, digital/web, and email, ensuring alignment with branding guidelines and project objectives. Create PDF reports, fact sheets, newsletters, reusable templates, and data visualizations. Manage production files, format materials, and design promotional assets. Oversee photo research, track image rights, and manage the digital asset management system. Develop style guides for organizational campaigns and digital platforms.

### Graphic Designer — Deloitte LLC, Chicago, IL

(2021 - 2023)

Designed a variety of projects for agencies contracted with Deloitte, including pamphlets, newsletters, infographics, websites, icons, logos, pitch decks, booklets, PowerPoints, illustrations, and more. Consistently met tight deadlines while delivering quick-turnaround edits. Worked daily with InDesign, Illustrator, After Effects, PowerPoint, and Microsoft Word to produce high-quality assets.

### Visual Designer — Miss Design Berry, New York, NY

(2020 - 2021)

Developed original content and marketing materials for company websites, social media, and various digital platforms, with a focus on creating visual assets and maintaining a cohesive brand identity. Produced all assets and content using Adobe Creative Suite, ensuring high-quality design standards across platforms.

### Design Manager — Miss Design Berry, New York, NY

(2019 - 2021)

Assisted in leading a team of 10 junior designers, ensuring high-quality design outputs by reviewing all materials before print. Played a key role in onboarding and training new designers, guiding them on the brand's visual identity and design techniques to maintain consistency and quality across projects.

### Junior Designer — Miss Design Berry, New York, NY

(2017 - 2019)

Worked directly with clients to conceptualize and design personalized wedding décor, including custom portraits, save-the-dates, drink signage, invitation suites, and logos. Facilitated smooth communication and handled transactions, addressing client questions and ensuring seamless project delivery.
